DECLARATION UNDER 37 CFR 1.131 IN SUPPORT OF PRIOR INVENTION

Sir :

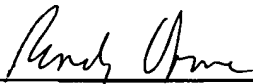

We, Randy B. Osborne and David J. Harriman declare:

1. We are the inventors of the claims of the above-captioned patent application ("the Application") and the inventors of the subject matter described therein.
2. Prior to November 23, 1998, the filing date of U.S. Patent No. 6,161,782 cited in an Office Action mailed December 11, 2003, the invention claimed in the Application had been conceived and reduced to practice in the United States.
3. Attached Exhibit A, dated September 24, 1998, is an invention disclosure form describing the design of the Method and Apparatus for Single Wire Signaling of Request Types in a Computer System Having a Point to Point Half Duplex

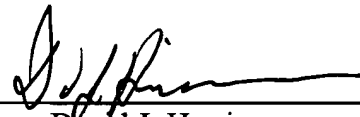

Interconnect, and establishes that the subject matter claimed in the Application had been reduced to practice in the United States prior to November 23, 1998.

We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application of any patent issuing thereon.
